

Greetings,

I am writing to you on behalf of Southeast Regional Appreciation Organization, a 501c3 non-profit organization dedicated to supporting first responders in our community. We are excited to announce our inaugural first responder cookoff event **SEER and Serve 2024**, Being held October 11th and 12th. **SEER and Serve** will host local Emergency Response teams allowing them to showcase their culinary skills in a friendly competition.

In order to make this event a success, we are seeking sponsorship donations from our friends and family in our local business community. Your generous contribution will not only help us cover the costs of hosting the event, but also support our mission of aiding and providing resources to first responders in need.

We are requesting cash donations at various sponsorship tiers to help offset the expenses associated with organizing the cook off event. In addition to monetary contributions, we are also accepting donations of gift certificates, products, or services that can be used as prizes for the winners of the competition or other supplies that will help make the event a success.

As a sponsor, your business will receive recognition in our event program, advertising, on our website, and on social media platforms. You will also have the opportunity to set up a booth at the event to promote your products or services to attendees.

We believe that by coming together as a community to support our first responders, we can make a real difference in the lives of those who dedicate themselves to keeping us safe. We hope that you will consider joining us in this important cause by sponsoring the SEER and Serve First Responder Cook Off event.

Thank you for your support and generosity. If you have any questions or would like more information about the event, please do not hesitate to contact me at 281-727-8291 or Seer.serve@gmail.com.

Sincerely,

Amanda Schonier
Secretary SERAO
SEER and Serve
